

Tina M. Domeier

January 26, 1949 - December 23, 2014

A Memorial service will be held at 2:00 pm Monday, January 5, 2015, at the Trinity Lutheran Church in Bruning, Nebraska. In lieu of flowers consider a donation to the Bruning Public Library in Memory of Tina Domeier.

Tina lived a full life as a city girl and a country girl! Tina was born in Chicago on January 26, 1949 to Duke and Iolene Stonehouse. She received all of her formal education in the city attending Sutherland Elementary School, Morgan Park High School, and Northwestern University. Growing up, Tina was always active in sports at a time when women were just beginning to be recognized as equal. While at Northwestern she also had the opportunity to study in Russia.

After graduating from Northwestern and working for several years in the admissions office at the university, she entered the investment business, once again being one of the only women. Her skills in selling and trading bonds were valued and she excelled. The fact that she could golf with the male customers did not hurt! Tina maintained her connection with Northwestern with student recruiting and being elected as an alumni trustee.

In 1989 Tina met Darreld and maintained a friendship over the miles. In 1993 Tina took a leap of faith, leaving the big city to become part of the Domeier family, located in Bruning, NE. Darreld and Tina wed on December 24, 1994.

It wasn't long before Tina's charisma won the hearts of Darreld's children and grandchildren. Tina demonstrated a love that will forever bloom in the family's lives.

Darreld and Tina frequently traveled for business and pleasure. These travels took them all over the world enjoying time with each other and family. Tina maintained close contact with her Chicago family and took an annual trip with her mother and sister. Those trips were filled with fun, laughter and they always brought back memorable stories.

Throughout Tina's life in Nebraska she used her leadership characteristics to touch the community. She served as the Assistant Manager at Bruning Grain & Feed with a specialty in public relations. Whether it was the senior citizen beauty pageant, youth development, serving with the Nebraska Grain and Feed Association, or building the Bruning Public Library, Tina always added her special touches. In the words of Tina, "My journey from Chicago to Nebraska – from bonds to beans – quite an adventure!"

Together Tina and Darreld built a cabin, named "Lake Tina", which became the location for many gatherings. Lake Tina has and will remain a location that fulfills the family's needs for fun, laughter, and relaxation.

Tina always had a smile, an encouraging word and a great idea. Her giving nature and commitment to family and community blessed many lives.

Tina is preceded in death by her father Duke Stonehouse, and mother Iolene Stonehouse.

Survivors include husband Darreld Domeier, daughter and son-in-law Wendy (Warwick) King, daughter and son-in-law Jill (Jason) Brase, son and daughter-in-law Dan (Andi) Domeier, daughter and son-in-law Jamie (Aaron) Pospisil.

“ One of my favorite memories of Tina is playing golf with her and Darreld in Fairbury. I was having problems hitting the ball straight and she told me only one thing--Headlights to the hole Patty, headlights to the hole. I have never forgotten that.

Tina was a driving force in the small community of Bruning. I'm sure it wasn't always easy for her living in a small town but she made up her mind to do it and she learned to love it and the people. She was a wonderful, always positive women. A great role-model to her daughters and grand-daughters. I will miss your wonderful smile Tina-you were a great model for me whenever I asked you to help in the Bruning China Luncheon. Love you dear-Patty Roper

“ Although a few years younger, I too have fond memories of Tina. Of course the same elementary and high school, but also same sorority, volleyball team and fellow car-pooler. She was "My Lady." I am deeply sorry to hear of her passing. May God bless her. She will be a bright light in heaven.

“ When we loose such a special person in our life, time seems to stop.
However, it is important that we start to live again with a smile on your face,
so that we can make his soul happy, as he is still looking at us even if we can't.

I knew Darreld for many years and was so blessed to have shared a genuine friendship with Tina after their marriage. In my eyes, they were "perfect in every way" for each other. I very quickly grew to love and respect Tina for so many reasons...her integrity, her TILIS(Tell It Like It Is) philosophy, her intelligence, quick wit, fantastic sense of humor, and her uncanny sense of perception and compassion for life and for others. Thank you for being you, Tina, and I miss you already.

Darreld, you & your family were so blessed to have had Tina in your lives for the last 20 years. She was a perfect match for you. I enjoyed the years we played golf together. She was always willing to teach as well as just have fun playing golf. God bless you all.

I had the pleasure of getting to know Darreld and Tina early on in their journey as a couple. What a passion they shared for building on each others strengths. What an example they put forth for us to connect with. The mold must have cracked when these two took on life in Bruning, NE.

How did you do it Tina?

A Chicago gal who learned to understand and then thrive in our wonderful small town ag community. What you were able to achieve was truly remarkable. Thank you Tina for showing us how things can be done. You will be greatly missed.
