“ *My heart goes out to the family of my dear friend Tom. He was a kind, generous, compassionate friend. So many fond memories of his kindness and friendship. I remember once I was unable to care for a pet. So, Tom went and picked up my cat "Napoleon" and took him all the way to Nebraska and cared for him until I was able to take care of him again. Then, Tom loaded the cat up and drove him all the way back to Texas. That act of kindness seemed like no big deal to Tom. It was the way he was hard wired; compassionate to all creatures. I will miss talking to Tom.*
